

# SPEAK OUT

We're here to keep you safe. If you suspect someone's drink has been spiked, tell the venue team. You will always be believed.

Some drugs can leave the body in as little as 12 hrs.

STEP 1: Test the drink

STEP 2: Test the person

Act now - time is of the essence.

# TEST NOW

# END

Avon and Somerset Police are ready to collect all the vital evidence they need to prosecute a drink spiker.

# SPIKING

Together we can stamp out drink spiking in Bristol.
