The cleansing team continued to work hard ensuring that City Centre locations and levy payer premises were kept clean and sanitised for the increase in visitors and workers being welcomed back into the city. As well as the cleansing of pavements, levy payer premises and other high contact and footfall locations, the team worked cleaning areas such as bus stops, benches etc to ensure they too remained clean for those using them.

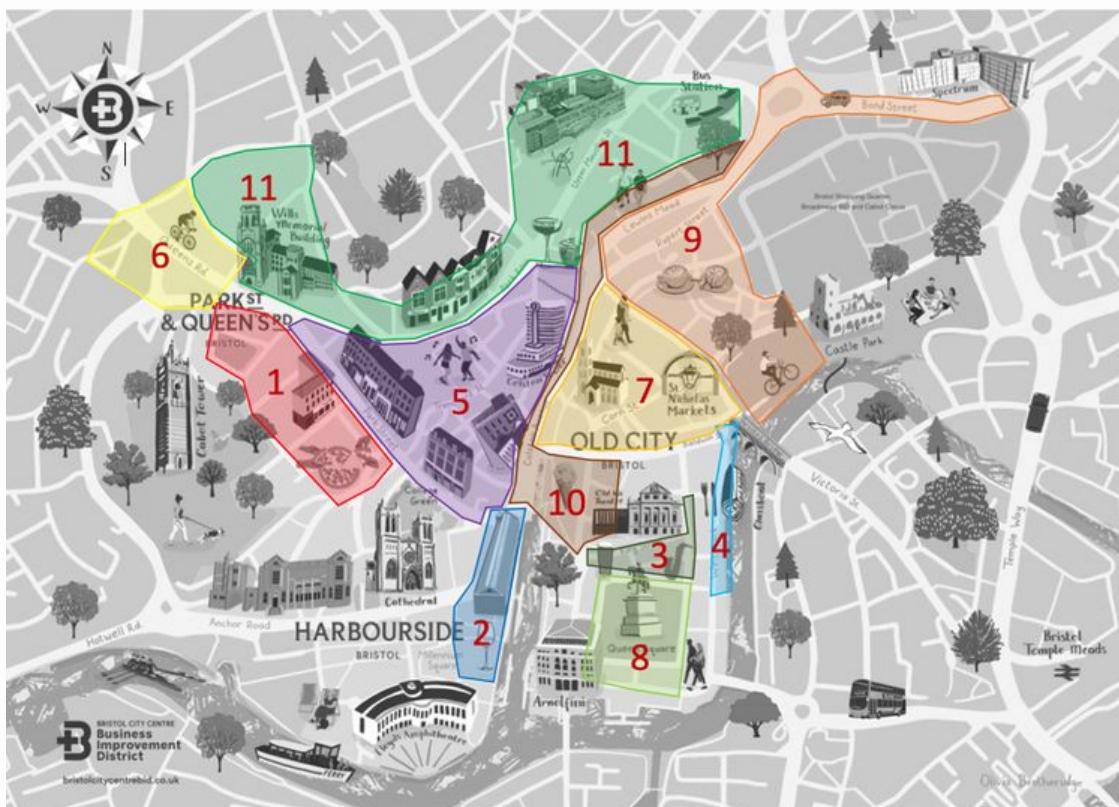

There was a notable increase in the amount of litter and waste left in a number of areas around the City, particularly overnight which the team worked through the early hours to ensure the areas were restored to looking pristine for the following days.

The team did a deep clean of the pedestrian areas around the Bristol Hippodrome venue to help welcome patrons back to the theatre making the area look clean and clear.

The team removed around 129 items of graffiti from over 52 different locations and utilised their specialist skills and training using chemicals to remove extensive and stubborn items of graffiti from sensitive areas.
