WHY HAVE I RECEIVED THIS BILL?

Following a successful ballot in September 2022 the BID and its levy paying businesses have the opportunity to continue making our wonderful city even better.

The 'Yes' vote was a vote for projects that will enhance the city's economy and its welcome, for strategies that will help to connect and represent the city centre business community, initiatives that will shine a light on our city for tourism, education and investment, and key partnerships that will help improve safety for those working in, living in, or visiting the city.

There are over 550 businesses in the Bristol City Centre BID boundary, those with a rateable value of over £25,000 are a levy payer. These businesses are required to pay a levy of 1.5% of their rateable value to support the work and improvements outlined in the business plan 2022-2027 as the BID enters its second term. The full business plan can be found at bristolcitycentrebid.co.uk/businessplan.

OUR VISION FOR A BETTER BRISTOL

A future-focused city that attracts business, investment, and people to create a resilient and welcoming city for all.

STRATEGIC THEMES:

ENHANCING

Delivering projects that attract investment and talent, create a cleaner, greener and more attractive city centre, bringing residents, employees and visitors back into the heart of our city.

PROMOTING

A collaborative approach to delivering innovative campaigns, events, activations and communications to promote Bristol. Celebrating everything that makes Bristol a special place to work, study and live.

PROTECTING

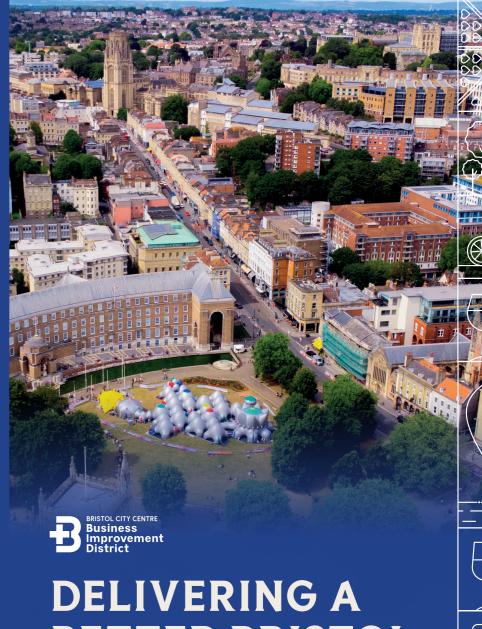

Investing to reduce, challenge and raise awareness on crime and anti-social behaviour to protect city centre businesses, visitors, and residents both day and at night.

SUPPORTING

Acting as a single point of contact to represent levy payers, leverage investment, influence strategy and support the business community.

More details of the business plan and the City Centre BID activity can be viewed at bristolcitycentrebid.co.uk

DELIVERING A BETTER BRISTOL FOR ALL

1 NOVEMBER 2022 - 31 OCTOBER 2023

FINANCE: HOW WE INVESTED THE BID LEVY IN 2021-2022

Since 2017, Bristol City Centre Business Improvement District (BID) has successfully delivered projects, initiatives, partnerships, and events that have had a significant positive impact for our levy paying businesses and all those that work, study, live and spend leisure time in the city.

During 2021-2022 we have invested the levy to deliver activity that supports city centre businesses through re-opening, creating reasons to spend leisure time in the city centre, in an environment that is safe, attractive, and welcoming for all. The launch of Love Our Levy Payers, supporting the well-being of the individuals that work as part of our business community, has been a new initiative providing support for return to work this year.

We have generated an additional income of £259,864 this financial year through grants and partnerships, to enable us to further amplify the work we are doing on behalf of our levy payers.

2021/2022 BRISTOL CITY CENTRE BID INCOME			
BID Levy	£1,004,976		
Other income	£259,864		
Carry forward 20/21	£150,000

Improving the look and feel	£205,982		
Improving safety	£223,736		
Promoting success	£214,736		
Acting in your best interest	£130,925		
Management and overheads	£170,936		
Contingency	£44,287		
TOTAL EXPENDITURE	£1,222,786		

^{*}Carry forward 20/21: Bristol Light Festival cancelled due to covid in 2021

KEY BID ACTIVITY IN 2021/22

IMPROVE SAFETY

Our safety projects have helped reduce, challenge and raise awareness of crime and anti-social behaviour to protect city centre businesses, visitors, and residents. TAP for Bristol has raised and donated £20,000 in the last 12 months for homelessness support and prevention. We have created and delivered campaigns addressing safety in the city during both day and night influencing national policy. We have provided over 100 free radios to levy payers keeping them connected with our dedicated PCSO and operations centre resource.

IMPROVE THE WELCOME AND THE FEEL

We have delivered projects that create a cleaner, greener and more attractive city centre. We have enhanced the city with Christmas lights and an artist-led green makeover of Marlborough Hill Steps. Our 7-day-a-week cleansing operation maintains a high standard of cleansing and graffiti removal throughout the city centre. Our Love Our Levy Payers events invite employees to explore Bristol in new ways, during lunch, or even get their bike fixed for free, supporting the return to office.

PROMOTING SUCCESS

We take a collaborative approach to delivering innovative campaigns and events to promote Bristol. Our events have included the hugely successful winter Bristol Light Festival followed by Luminarium in the summer, bringing millions in economic impact to city centre businesses. Over Christmas we work to increase footfall to our high streets, through trails of festive lights, projections, shopping events, and recently we partnered with Sustainable Fashion Week to welcome students to the city during fresher's week. We've sold out charity comedy nights at bars in the Old City, brought Easter excitement to Park Street, and provided a local gifting alternative with the new Love Bristol Gift Card, keeping spend local.

ACTING IN THE BEST INTEREST OF LEVY PAYERS

We act as a single point of contact to represent levy payers and support the business community. In 21/22 this has included generating additional investment of over £260,000 through city partnerships and grant funding to support re-opening. We track city centre recovery through O2 and Visa movement and spend data to inform our decision making. We have spent thousands of hours engaging with businesses to understand the needs and challenges in our everchanging business landscape.

FINANCE: HOW WE PROPOSE TO INVEST THE LEVY IN 2022-2023

We move towards the next term with a focused, committed, and ambitious approach. The BID will build on the last five years by taking forward our successes whilst also recognising that future work must be shaped by the requirements of the businesses we support.

There are four key areas that will bring together the BID's activity:

PROTECTING ENHANCING

PROMOTING SUPPORTING

These themes will build on the success of the projects in our first term and incorporate new elements in response to consultation and the requirements of the ever-changing economic, social, and environmental landscape.
